In the fall of 1936, the En Aye was enlarged from a four-column paper issued about seven times a year to a five-column paper issued twice a month. This year, the same policies were followed. Special Homecoming, Christmas, High School and Commencement editions were published during the school year,

The paper struggled along without an editor-in-chief during the year of 1936-37, but last spring Howard Clark was elected by the student council, on the recommendation of Mr. Schonberger, to fill that post during the current year. This was in accordance with regulations adopted by the student council in their charter.

The En Aye staff pride themselves on their complete coverage of all campus events, scholastic, social, athletic, dramatic and musical. Whenever possible, the paper carries pictures of events of interest to readers of the paper.

The En Aye carries no advertising, and takes in nothing from subscriptions, being entirely supported by the school funds. It is distributed to all students and is sent to all alumni of the school whose addresses are listed in the office, and to friends and prospective students throughout this section of the country.

### Student Council

THE constitution states that the Student Council shall be composed of seven members of the student body, and the president of the school. The duties of the Student Council as given in the constitution are: to have control of the expenditure of the student activity money assigned to them, and to initiate and supervise these student activities. The Student Council shall also have the power, in conjunction with the faculty supervisor, to nominate the editor of the En Aye; also the editor and the business manager of the Snitcher; said editors to serve the following year.

A secondary purpose of the Student Council is to act as the intermediary between the student body and the administration of the school. Suggestions made by the students may in this way be presented to the administration by the Student Council and a pleasant and harmonious relationship maintained.

The major projects of the Student Council during 1937-1938 include: the decision to again publish a *Snitcher*; the publication of a Student Directory and Handbook, and the purchase of a 16 mm. motion picture projector, to be used for the benefit of the entire school.

During the year, they sponsored several outstanding parties, among them the Thanksgiving, Christmas, St. Valentine's, All-Game, and Easter parties. The High School Senior Reception, so popular in 1937, was again sponsored by the Student Council.

-Barbara McMillan.

### auto Mechanics Club

THE Auto Mechanics Club is an organization whose primary purpose is to afford recreation for those students enrolled in the farm machinery course. Any person taking two subjects in the department is eligible for membership in the club. No dues are charged. Money for financing the club is made by charging ten per cent on all repair parts installed by the mechanics. It is hoped that in the future the mechanics may handle all repairs on a regular garage basis.

Several parties were held by the mechanics during the long winter term and one very successful school rabbit hunt was sponsored by the club.

Those holding membership in the club are: Leo Billey, president; Art Reddig, vice president; Melvern Kloubec, secretary-treasurer; Kieth Bymers, Henry Carlson, Clifford Durheim, Herbert Miller, Wilbur Retzlaff, Emil Retzlaff, Leonard Vasvick, Herbert Martin, Albert Gebhardt, Elmer Gebhardt, Edwin Sand, Allan Hamilton, Reiny Kirschmann, Alex Visto, Alfred Nelson, Cecil Klatt, Harold Santanen, and Edwin Wilen.

President	RAY GORMAN
Vice-President	MAXINE BERRY
Secretary	CAROLYN BOLSTAD
Treasurer	ELSIE QUASHNICK
O. A. BANKS Advisers	MISS SHIRLEY MOES,

HE Commercial Club was organized in the fall of 1936. The club was organized to perform certain benefits for the business students, such as outside dictation and typing drill, contests with other schools, putting out a commercial paper and, of course, social affairs, such as parties and dances.

The membership of the club is composed of students taking at least two commercial subjects. There are four standing committees in the club, the program, social, membership and publicity committees. The officers of the club and the chairman of each standing committee comprise the executive board. The club meets once a month, combining business and pleasure.

This year the Commercial Club presented a play in assembly on January 20. The leading parts were played by Carolyn Bolstad, Clara Schmierer, Doris Russell, Carrol Haralson, Myron Tveit, and William Knox. Mildred Doeling had a short but very important part in the play.

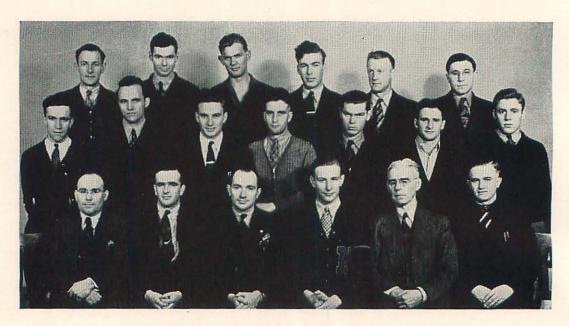

The play was rehearsed at the Christmas party. The rest of the evening was spent in playing games, dancing, and exchanging gifts.

The Commercial Crier, published by the Commercial Club, has been the major project of the year. The paper is published quarterly under the supervision of Miss Shirley Moes. Arthur Bartle was chosen editor of the paper and Clara Schmierer assistant editor.

In November the members of the Commercial Club went on an interesting field trip to Aberdeen, visiting the various business places and offices of interest to them.

In May the club will have their annual picnic which will perhaps take them to Aberdeen or some other suitable picnic place. The picnic is always looked forward to by the members of the club.

### Industrial arts Club

HORTLY after the opening of school in the fall of 1937, Mr. Heckmann and Mr. Pfeifer called a meeting of all the students registered in the Industrial Arts course for the purpose of deciding whether an Industrial Arts Club should be organized. The group decided to organize a club which was to meet on the last Thursday of each month. Topics of interest to the club and activities of the same nature were to be discussed. Although six years had elapsed since the last Industrial Arts Club had been organized, the same constitution was adopted. Mr. M. W. Heckmann was chosen as the adviser in that he was the head of the Industrial Arts department.

The purpose of this club is to broaden the knowledge of the members in this field and make them more efficient members of the society. Opportunity for research along the line of Mechanic Arts is given and can be used to an advantage.

In the election that was held, Edwin Kurth was elected president; Owen Sizer, vice president; Howard Clark, secretary-treasurer; Oscar Gehring, sergeant-at-arms. The charter members were Mr. Heckmann, Mr. Pfeifer, Edwin Kurth, Owen Sizer, Howard Clark, Oscar Gehring, Roy Sheppard, Leonard Bock, Herbert Thiele, Marvin Burroughs, Francis Ackert, Ben Schuler, Leon Burroughs, Harold Kuch, James Holsinger and Jake Zimmerman.

Because of the large variety of activities on the campus, the organization had a difficult struggle to hold its meetings as scheduled, but it did manage to meet occasionally. One of its foremost activities was the "Hobby Night" which it sponsored by holding open house each Thursday night in the shops. A small but very interested number of students and townspeople attended and made use of the opportunity to indulge in some sort of creative work which they liked.

Later in the spring, in conjunction with the Home Economics Club, the Club gave a school dance to raise funds for expenses. All in all, though the beginning was small, the club flourished.

### Home Economics Club

The Home Economics Club was organized November 22, 1926, by Miss Clara Flemington who was at that time head of the department. It was named after the first teacher of home economics at the N. I.—Mills Lillian Tingle, who organized the department in 1898.

The object of the organization is to further the interests of home economics at the N. I. and to form a connecting link between the department and the homes of the community.

Meetings are held for the purpose of discussing and working out home economics problems of interest to the members of the club.

During the school year of 1937-38 the club activities were largely confined to the raising of funds for various home economics projects. Programs during the year were centered around the study of the homes and interests of European nations.

# Normalian Junta

THIS year the students of the department formed an organization that they named "Normalian Junta", which means: Council pertaining to Normal matters. During the winter term a party was given for its members. The interests of every person in the Normal Department was shown by the large attendance at the party.

The Normal Department was well represented in the intramural basketball games by a team chosen from the department. This year and the past years have been very successful years for the department. The students have shown their willingness to cooperate in the activities carried on.

The officers of the organization are: Mary Phyllis Combellick, president; Carol Hansen, vice president; Lillian Johnson, secretary-treasurer; and Jacob Rempfer, news reporter.

Top row—John L. Gebhardt, Melvin Kallestad, Dorothy Heine, Dorothy Zinter, Paula Nyhagen, Robert Van Tries, Jacob Rempier.

LEONA DOCKTER	Vice President
MILDA OSTER	Secretary
EDWIN KURTH	Treasurer
MISS PHYLLIS GREENLAND	

THE N-I chapter of the Lutheran Students Association is the newest organization on the campus, having been established November 8 by a small group of interested students in conjunction with Miss Hortense C. Hage, acting student secretary of the national organization, and Miss Phyllis Greenland, who volunteered to act as adviser for the L. S. A.

The aims of L. S. A. on the N-I campus are to afford means by which Lutheran students may become acquainted with each other, consider and act upon common problems, and strengthen and encourage one another in Christian faith and in work for Christ and His church. The L. S. A. aims to stimulate students in regular church attendance, in prayer, and in constant use of the Bible. The L. S. A. also aims to develop a conscious need of Christ in facing modern life and problems. Every student on the campus, especially the Lutheran student, is welcome to participate in L. S. A. activities.

Regular weekly devotional meetings are held every Thursday evening in the literary room on the third floor of Carnegie Hall. The meetings are nearly always interesting formal or informal student-led discussions of Christian principles, especially as they relate to student problems. A Bible study discussion led by Rev. A. H. Vomhof, local Lutheran pastor, is held once a month.

\*HE Y. M. C. A. is the largest men's organization in the school, having a membership of between thirty and forty. It is a member of the state and national associations, and is generally represented at all state conventions and also at the annual Lake Geneva encampment.

This local chapter is as active as any in the state for one of its size. The organization generally gives a get-acquainted stag party sometime during the first two weeks of the fall term to which all of the men of the school are invited and assured of a lively time, although all those who do not have especially rugged constitutions are advised not to attend.

Wednesday evening of each week is set aside for inspirational and devotional meetings of the association. The meetings are usually addressed by some competent speaker of the professional or business men of the city, and occasionally by some member of the faculty. Individual problems arising in a student's life are dealt with and alleviated as far as possible at these weekly meetings. Once or twice each term a joint meeting is held with the Y. W. C. A. at which a very enjoyable social time is had by all. A joint picnic is held near the close of the school year.

The organization maintains a room in the basement of the library in which study tables, a radio and other articles of convenience to the men of the school are found, among which are several ping pong tables and checker boards. Tournaments are generally held in each of these minor sports during the year.

This year a vaudeville was sponsored, composed of numbers given by different talented individuals or groups of individuals from the student body. This was a decided success.

THE Y. W. C. A. on this campus was organized in 1906 as a charter member of the United States organization. The Y. W. C. A. exists for the purpose of helping young people to grow religiously and follow Jesus, to help provide a friendship to each and every girl on the campus, and to help provide a challenge for the undertaking of jobs.

Meetings were held twice a month on Wednesday evenings. These meetings were of various types. Various members were in charge of programs during the entire year. Some of the outstanding meetings were on Personality and Dress, Developing Personal Charm, Seeing the World, Etiquette, Personal Traits, Our Book Shelf, Famous People, After School—Then What?

The year was begun with a Freshman Tea followed by a membership drive. After the formal reception of the new members into the society, a party was given in their honor. Three joint parties were held with the Y. M. C. A.—Hallowe'en party, Christmas party and scavenger hunt. As the crowning event the Y. W. and Y. M. held their annual joint picnic.

The organization also participated in state conventions. In the spring of 1937 delegates were sent to the Y. W.-Y. M. conference at Valley City, North Dakota. During the summer the organization was represented at the regional summer camp at Geneva, Wisconsin, by Fern Warner, a girl of the society. In the fall of 1937 delegates went to the Y. W.-Y. M. conference at Grand Forks.

As a means of earning money the Y. W. sold candy, candied apples, sponsored a bean supper, and the Y. W. and Y. M. also sponsored a vaudeville.

The Y. W. C. A. has been under the supervision of Miss Moes, chairman, Miss Bender and Miss Fodness. Mrs. McMillan and Mrs. Heckmann were the honorary advisers.

# Delta Epsilon Phi

DELTA Epsilon Phi endeavors to develop its members intellectually, socially, and physically; to cooperate with school authorities and organizations; to inculcate in the minds of its members a high standard of scholarship; and to unite the members in bonds of sincere friendship and in loyalty to the sisterhood.

Every fall a "rush" party is held at which new girls are entertained. When the girls have accepted the invitation to join the society, a banquet is held, after which pledges are initiated.

The Delta society has had many wide and varied programs, all of which have proved to be both interesting and valuable to each member. Perhaps the most outstanding social event of the organization this year was the Barn Dance, at which the members entertained about seventy-five guests.

This year the Delta Epsilon Phi has an active membership of 20 members. The officers are elected each spring, and they hold office during the ensuing year.

The final event of the society each year is the banquet during Commencement to which all Delta alumni are invited.

# alphian Society

ORGANIZED in 1906 to give its members forensic training, Alphian today gives, in addition, dramatic and social training.

Traditional activities include the "rush" party given for girls new to the school; a tea to honor the pledges; and the initiation and party for the neophytes. As a special project in the fall term, the different societies presented a chapel program in which the Alphians were represented by a skit.

The winter term events were begun with the annual buffet supper. The program following the supper was in the form of a radio program with the pledges as entertainers. Later the pledges gave a very lovely tea for the active members, after which problems of etiquette were presented and solutions suggested. The successful presentation of "The Knave of Hearts" as a chapel program in which all members took part won much praise for the actors and producers. The theatre party was the concluding event.

The plans for the spring term are interesting. The Parliamentary Law program is expected to be helpful to all Alphians. We hope the Coed Costume dance will be, as in former years, a very colorful and entertaining event. A miscellaneous program in which each Alphian member will contribute a number is scheduled. The Strawberry Breakfast in May is always looked forward to with anticipation. The Annual Alumnae Banquet and Reunion to which all Alphians, past and present, are invited may be expected to carry on the true Alphian spirit.

### W. a. a.

OMEN'S Athletic Association, an organization of girls interested in athletics, sponsors a number of campus activities. Highlights of this year were the Initiation Party, Hayride Party, Volleyball and Basketball tournaments, and the annual W. A. A. Banquet for presentation of awards.

The officers of the W. A. A. are Hazel Michel, president; Agnes Rowe, vice president; Lillian Johnson, secretary; Miriam Fleming, treasurer; and Carol Hansen, publicity manager.

W. A. A. has instituted a board of directors to govern the various sports. The members consist of Aurora Muske, volleyball; Frances Zinter, basketball; Magdalena Bitz, baseball; Esther Quashnick, soccer; Vera Gray, skating; Dorothy Zinter, tumbling; Marjorie Huse, hiking and horseshoe; Helen Graham, tennis and golf; Sara Zundel, ballet dancing.

The following are active members of the W. A. A.: Barbara McMillan, Helen Graham, Lillian Johnson, Ethel Nelson, Esther Quashnick, Hazel Michel, Dorothy Sand, Sara Zundel, Vera Gray, Aurora Muske, Betsy Pomplun, Effie Vansickel, Miriam Fleming, Phyllis Combellick, Marjorie Huse, Frances Zinter, LaVon Siedschlag, Agnes Rowe, Ruth Lematta, Marian Reynolds, Dorothy Staudinger, Dorothy Zinter, Harriet Wilson, Verna Vossler, Milda Oster, Imbur Hoffman, Carolyn Bolstad, Vivian Robins, Irene Hanna, Ruth Pederson, Princella West, Magdalena Bitz, Maxine Berry.

Awards for athletic activity are based on an honor-point system. It is possible for college girls to earn North Dakota letters and lightweight sweaters and high school girls may earn N. I. letters. In 1937 these girls earned letters: Carolyn Bolstad, Rosella Kunz, Elsie Quashnick, Ruth Glynn, Carol Hansen, Angeline Kunz, Agnes Rowe, Frances Zinter, Vivian Robins, Margaret Laughlin, Grace Meyer, Margie Maricle, Florence Blumer, Anna Mae Van Middlesworth, Gladys Turner, Vivian Wegner, Florence Kauffmann and Clara Rowe. Those earning the 1000 point award were Clara Lubbers, Carol Hansen, Gladys Turner, Florence Blumer, Anna Mae Van Middlesworth, Grace Meyer, and Margaret Laughlin. Special awards were given Ethel Nelson for dancing, and Gladys Benz, Clara Lubbers and Lydia Miller for the 1500 point award.

Top row—Marvin Byrne, Lloyd Cox, Alvin Sand, Leon Burroughs, Howard Boom, Harry Vix.

### Lettermen's Club

Several years ago there was a lettermen's organization in the school; then for some unknown reason the organization passed out of existence. This year some of last year's lettermen decided to reorganize the club. A meeting was called and officers were elected. The first act of the club was to establish a set of rules and a constitution for the governing of the club.

During the year the club has taken an active part in the promotion of various forms of athletics. Sweater awards were given to members of the club who had earned three letters in any one sport. Those winning these awards were Francis Ackert, Ralph Wallace, Leonard Bock, Clifford Kempf and Ray Gorman. The club believes that by giving such awards it will create a greater interest in sports of all kinds. A move is underway to give a life-time pass to all athletic contests of the school to those who meet certain requirements set by the club.

The duties of the club are: Promote better sportsmanship. Further the interests of athletics. Turn out better coaches. Do its best to further the interests of the school in any and every way.

The members of the club are James Volk, Arthur Reddig, Clifford Kempf, Edward Taylor, Leon Burroughs, Marvin Byrne, Leonard Bock, Howard Boom, Howard Clark, Duane Crabtee, Lloyd Cox, Francis Ackert, Elmer Schmierer, Herbert Trosin, Owen Sizer, Alvin Sand, Ralph Wallace, Allan Juelke, Ray Gorman, Rollin Dundson, Harry Vix, Leonard Hurley and Calvin Rempfer.

### Pepeni

THE Pepeni was organized in 1936 for the purpose of creating school spirit among the students of this college. A contest was staged for the purpose of selecting a name for the organization, a prize being awarded the student submitting the winning name. This prize was won by Miriam Fleming, who submitted the name *Pepeni*. This name has been retained thus far by the organization.

Cheer leaders elected for this school year of 1937-38 are Benny Dekker, Helen Graham, and Hazel Michel. The cheer leaders are presented with North Dakota letters, while the members of the organization obtain pins.

Coach Senn Slemmons

COACH Senn Slemmons enjoyed a successful football season and a fair basketball year during 1937-38, his twelfth year at the NI. Two defeats, one by the conference champions and the other a defeat by a fluke, marred the grid campaign. The basketball season got off to a dismal start but concluded with a rousing finish. ### Football

O sum up a football team's season is a difficult task, to put it mildly; but, when the team is an array like the 1937 Ellendale State Normal and Industrial School Dusties, it is even more perplexing. The score books show the N-I squad with one conference win, two ties, and two defeats, but the final scores fail to indicate the true worth of Slemmons' eleven; they were a much better team than the score admits.

Twelve lettermen, Leonard Bock, Allan Juelke, Buzz Sizer, Tuffy Wallace, Duane Crabtree, Francis Ackert, Ray Gorman, Rube Marquardt, Alvin Sand, Al Schmierer, Marvin Byrne and Harry Vix, answered the annual fall call for pigskin handlers. Nine of these were veterans of the 1936 campaign; the remaining three, Marvin Byrne, Francis Ackert, and Al Schmierer, had won their monograms in previous years. The return of these three former stars was exceptionally gratifying to Coach Senn Slemmons.

A non-loop game with the Northern State Teachers College Wolves of Aberdeen, South Dakota, inaugurated the grid year, with the Wolves eking out a close 6-0 victory. The Northern's lone score came on a blocked punt which put the South Dakotans within six yards of the goal line, where they pushed over in two downs. The Dusties threatened to tie the score late in the last quarter when they reached the two-vard stripe, but were held for downs thus losing their one chance. The Aberdeen contest revealed a factor that was to characterize the Ellendale squad throughout the season—a stone wall line, light but exceptionally tough. This tilt also uncovered Lloyd Cox, freshman guard, who proved his worth as a starting regular, and from that time to the close of the season, Cox never missed a minute of play.

The second game of the season was the initial conference tilt, with the Valley City Vikings furnishing the opposition. An epidemic of injuries suffered in the opening plays, with Leonard Bock and Allan Juelke of the backfield being forced to the sidelines to join Rube Marquardt, another star backfield man, who had been injured in the Aberdeen tussle, handicapped the chances of the Dusties to emerge victorious. However, the line held up bravely and defied the Vikings to score. Neither side was able to pack a backfield punch. Offensively, strong punting by Ackert for Ellendale and Potthast for Valley City featured.

The following week-end, with a revamped backfield including Herb Trosin, Marvin Byrne and Ray Gorman, the Slemmons-coached crew journeyed to Minot, where, aided by a freak play, they came out even in a game generally conceded as a walkaway for the Beavers. The final score stood 7-7. In the second quarter, with the Dusties trailing 7-0, Herb Trosin, Dustie halfback, intercepted a pass and went fifteen yards before being downed by the Minot squad. On the next play Ackert went downfield to receive a pass. Trosin fumbled the toss from center and half the Minot crew rushed in to recover the ball. At the last moment, Trosin managed to grab the ball and whip it to Ackert, who was standing near the goal line unguarded. Ackert crossed the goal line unmolested and a successful try for the extra point put the score at 7 all.

Still unbeaten, but twice tied, the SNIC pigskin boys next played and repulsed the Dickinson Savages to make the N. I. homecoming a success and account for Ellendale's first win. Almost before the echo of the opening whistle had died away the Dusties had, by capitalizing on Savage fumbles, registered two

touchdowns and converted the extra points. From then on it was a nip and tuck affair with neither side making very noticeable gains. Unable to penetrate the Ellendale line, the Savages attempted to take to the air, but the cold wind had so numbed the players' fingers that few connected.

The following week-end the Dusties packed their duffle and journeyed to Bottineau, from whence they returned a disgruntled group of players. Although they ran roughshod over their northern opponents, registering 18 first downs to Bottineau's 3, the final score showed the Dusties on the short end of a 7 to 0 count. Five times during the game the Dusties penetrated to the five-yard line, but lacked the punch to cross the goal.

The Dusties concluded their schedule by dropping a 12 to 6 contest to the conference champions—the Wahpeton Wildcats. Although Wahpeton displayed an edge in most departments of play, they had to work hard for both their tallies. The most thrilling play of the game was the one on which Ellendale scored. Receiving a pass from Trosin, Buzz Sizer, displaying brilliant footwork and twice reversing his field, galloped from his own 40-yard line 60 yards to score.

Six Dusties were honored by conference coaches by being placed on the all-conference grid squad. Captain Ralph Wallace and Francis Ackert made the first team, at tackle and end respectively. On the second team were Owen Sizer at end and Leonard Bock in the backfield. Duane Crabtree at center, and Elmer Schmierer at guard, were given honorable mention.

Top row—Howard McDermott, Owen Sizer, Allan Juelke, Earl Nehl, Duane Crabtree.

Second row—Spencer Hillesland, Arthur Reddig, James Volk.

Bottom row—Coach Slemmons, Leonard Bock, Francis Ackert, Clifford Kempf.

### Basketball

THE Dusties cage outlook this year appeared to be quite good, with several regulars coming back, and a former star returning. The regulars reporting for practice were Leonard Bock, a strong member of the team and a four-letter man; Owen Sizer, a leading performer of last year's team; Clifford Kempf, an all-conference forward on last year's squad; and several new men to bolster the reserve strength. Francis Ackert, better known as "Mutt", added great strength and needed spirit. Mutt, one of Ellendale's best athletes, gave the Dusties hope. Howard McDermott did not play on the first team last year because of ineligibility, having played with Wahpeton his first year and therefore having to wait one year before he could play on any other team.

These five men, plus new reserve strength, gave Coach Slemmons a strong aggregation. There was talk of Ellendale winning the conference.

The first game was with the mighty Jamestown quint. The home team was overwhelmed by the score of 43 to 22. The Jamestown team was in far better shape than the Ellendale boys, who had had only a short period of practice and had played no games, whereas the Jamestown five had played in a pre-season tournament at Aberdeen. Sizer and Ackert led the Dusties, but all were decidedly off in shooting.

The second game was at Aberdeen with the Northern State Teachers Wolves. The Wolves turned in a victory by a wide margin, but the game showed the potential strength of the Dusties. It gave Coach Slemmons a look at his team under fire and decided his starting lineup for the rest of the season. Lenny Bock bolstered the team in this, his first game of the season. As he had been working, he had not been at Jamestown. Ackert again was the leading Ellendale performer. He led the scoring for the night with 12 points. Score Ellendale 26, Northern 49.

With two losses and no wins, the Dusties prepared to meet the Huron Scalpers, the locals' first home appearance. Huron held an advantage in height over Ellendale and with superior ball handling they handed the Ellendale five their third straight loss. Kempf was the star of the night, turning in one of the best games of his career as a Dustie. The Dusties started out by going into the lead but it soon became evident that the Scalpers were the masters of the situation. The final score was Ellendale 28 to Huron's 49.

As a start, the team had shown only the possibilities of being the team that they were doped to be. It was evident that with more practice and few more games behind them, they would get going. A short lay-off for Christmas, and then the Dusties started on conference competition.

The first conference game had been played with Jamestown, the outcome of which has already been told. Minot was the second conference foe. The Beavers, defending champs and leading contenders for this year's title, were given a good game. With the score 24 to 9 at the half, the Dusties put on a rally that almost proved the downfall of the Minot cagers. Dietz led the scoring with 21 points. Bock was Ellendale's leading performer of the game, playing one of the finest games of his college basketball. In this game the Disties began to show what they were capable of doing. The game ended with the score 41 to 36 against us.

Wahpeton appeared next on the schedule. The game was played there and again the Dusties put on a great show. A Wildcat last minute rally moved the Wops out into the lead. The game ended with Ellendale on the short end of a 45 to 32 score. Owen Sizer and Leonard Bock were Ellendale's stalwarts. Both were featured in the Dusties' scoring threats and in the Dusties' defense.

For the first win of the season, the Ellendale quint chose Mayville. The Mayville team appeared quite confident but before long the tune was changed. The first half ended with the Comets ahead 29 to 23. The feature of the evening was the second half drive of the Dusties which put them in the lead midway in the second half. Ackert, Sizer and Reddig formed the backbone of the drive. Ackert started hitting the hoop in the second half and scored seven field goals. Two of the reserves, Crabtree and Reddig, turned in brilliant performances. Crabtree took Bock's place after the regular was forced from the game by personal fouls. Duane proved himself an able and strong asset to the team as did Art Reddig, who scored 6 points. The final score, Ellendale 54, Mayville 43.

On the next night, the same two teams met again. Both teams were sluggish and listless, because of the fast contest on the preceding evening. Ellendale jumped into the lead in the first few minutes and held it for only a short time. The Comets held a lead of 21 to 16 at the half. Kempf was high point man for the Dusties. Owen Sizer was also one of Ellendale's leading scorers, but neither had anything on Bock as far as floor work and defensive play were concerned. A last minute rally brought the score to within one point of a tie, but as the Dusties did not have that last basket, the game ended with the Comets winning, 41 to 42.

Another victory was turned in by the Ellendale cagers when Dickinson played at Ellendale. The Dusties took the lead at the beginning and were never headed. The score at the half was 32 to 23 in favor of Ellendale, the Dusties playing one of their best games. Their shooting was exceptionally good and their defense, though it could have been tighter, was adequate. Kempf led the scoring with 19 points. Bock and McDermott played consistently good ball and Ackert and Sizer showed flashes of good basketball. The final score, Dusties 53, Dickinson 46.

The third win of the season was taken from the Dickinson Savages at Dickinson. The Savages led most of the way, but in the last seven minutes of play the Dusties rallied and went into the lead. The Savages were favored to win on their own floor but the Dustie rally proved to be too much for the Dickinson five. Kempf and Ackert led the Dusties, each getting five field goals and three free throws. In the last half drive, Art Reddig was a big factor, collecting four field goals. The game ended with Ellendale winning by the score of 46 to 38.

Failing to come through in a last desperate rally, the Dusties met with defeat at the hands of Wahpeton. In the first few minutes of the game, the lead changed hands many times. Wahpeton held a 22 to 17 advantage at half time. In the opening minutes of the second half the Dusties took over the lead, but the Wops dropped in 9 points to go ahead for good. The game ended with Ellendale on the short end of a 49 to 44 count. Kempf led a last minute drive that ended when the bell rang at the end of the game. Sizer starred for Ellendale, with Ackert playing a fine floor game, and McDermott and Reddig showing flashes of good ball.

The Valley City Vikings defeated the Dusties at Valley 58 to 40. The Vikings led from start to finish. No matter what combination the Viking coach used, there was always some one that was hot. McDermott scored 10 points for Ellendale, with Ackert and Kempf close behind with 9 and 8 respectively.

The Dusties wound up the season with a win over Valley City Vikings at Ellendale. The Dusties took the lead at the start of the game and were never headed. Kempf dropped in five field goals in the first seven minutes of play. The game was the best performance of the year for the Dusties. Kempf and Captain Ackert were the leading scorers, each getting 17 points. Ackert and Bock ended their college basketball in the final game of the season. Ackert played his best game of the season, and Bock was a leading performer on defense. Kempf and Sizer starred also. The score was, Ellendale 56, Valley City 45.

The Dusties finished the season with four wins against six defeats. Starting to play a good brand of ball late in the season, the Dusties turned in a good record. Ackert and Bock will be lost to next year's cage squad, but with the present reserves and more expected, the Dusties should have a good team next year. Several of the reserves need mentioning for their fine work. Jim Volk, a small but fast player will no doubt be a strong candidate for a regular post next season. Duane Crabtree gave the team very good support and came through when he was needed like a regular. He, too, should be a mainstay next year. Art Reddig should be one of the first five next season.

Owen Sizer will captain next year's team. Clifford Kempf was the leading scorer of the season, and led the conference when the N. I. was through, but Tabert of Wahpeton had more games to play and passed Kempf in the final contest.

Three Dustie cagers were mentioned by conference coaches when they balloted for the all-conference basketball squad. Kempf made the first team at a forward post for the second successive year. Sizer and Ackert were given honorable mention, accorded only players who were named to either a first or second team by a coach other than their own.

Top row—Duane Crabtree, Mgr., Carl Sinkbeil, Harlan Wanaka, Benny Dekker. Bottom row—Allan Juelke, Erwin Cink, Lloyd Cox.

# Intramural Champions

THE intramural basketball of the N. I. is the winter sport for those who cannot play varsity basketball. The teams that take part in the sport are organized from the different departments of the school.

Those taking part this year were Junior College, Mechanic Arts, Faculty, Commercial, N. Y. A., Normal, and Y. M. C. A. The Industrial High School played the first half of the schedule and then dropped out. Their place was taken by a team organized by Edwin Chambers, and called "Chambers' Bucks".

The Junior College took first place in the league, going through their schedule without a loss. Normal was close behind with only one game in the red, that one being lost to the Junior College quint.

The games were played by a round-robin schedule. The Junior College had by far the strongest team. They jumped to the lead of the heap at the very outset and were never headed. Their closest rivals for the crown, Normal gave them a good close battle for the lead but they lacked the punch needed to beat the Juniors.

An all-star quint was picked by the different players of the league. The first team consisted of Erwin Rempfer, forward from the Normal team; R. T. Schonberger, forward from the Faculty; Ervin Cink, center from the Junior College; Ed Taylor, guard from the Junior College; Calvin Rempfer, guard from Normal. The second team was composed of Allan Juelke, forward from Junior College; Walt Smith, forward, Y. M. C. A.; Elmer Mack, center, Commercial; Howard Clark, guard, Mechanic Arts; Ray Sinkbeil, guard, Normal. These men composed the all-campus quint for the 1937-38 season, and turned in a victory over the Ellendale Independents in a preliminary to one of the varsity contests.

Top row—Joe Matous, Oscar Muske, Gottlieb Maier, Leonard Hurley.

Second row—Wilbur Retzlaff, Eddie Bostrup, Loren Phillips, Ellwood Schimke.

Bottom row—Allan Juelke, Herbert Miller, Darcy Bostrup, Norman Greene.

# Boxing

30XING was added to the SNIC athletic curriculum for the first time in the school's history during 1936-37. With but one candidate with previous ring experience reporting and with very limited training material, the sport made its start. Due to lateness in getting under way and delay in securing the necessary equipment, only one card was staged, this being a school tourney.

The 1937-38 season saw N-I boxing make a great advancement. Under the direction and instruction of Norman Greene, a Golden Gloves product and one-time student at Jack Hurley's boxing school, three tournaments were scheduled and more would have been, had more competition been available.

A school card was staged as a tryout with the following winning places on the team: Loren Phillips, Howard McDermott, Oscar Muske, Darcy Bostrup, Joe Matous, Herb Miller, Leonard Hurley, Allan Juelke, Wilbur Retzlaff, Ellwood Schimke and Norman Greene.

The Dusties engaged in two inter-school cards, both with Wahpeton State Science School, with the Wildcats carrying off the first, 5 bouts to 3, and the second 5 bouts to 2. Herb Miller, Norman Greene and Allan Juelke were the N-I victors in the first match. Miller and Greene captured the judges' decision and Juelke won by a knockout against an opponent holding a 28-pound weight advantage. Bud Phillips, Oscar Muske, Joe Matous, Gottlieb Maier and Darcy Bostrup were the other N-I battlers who saw action.

In the return match, sickness handicapped the local mitt swingers with three of the star leather tossers being forced to the sidelines. Loren Phillips and Howard McDermott accounted for the two Ellendale wins. Other Dusties who participated were Oscar Muske, Darcy Bostrup, Joe Matous, Herb Miller and Leonard Hurley.

### Track

GBOUT fifteen aspiring athletes answered the call for track in the spring of 1938. Although prospects for a well-rounded team are only fair, two or three of the squad members are expected to pick up several points in the tournaments. Heading the list of returning veterans are Owen Sizer and Leonard Bock, mainstays of the 1937 array that took fourth place at the conference meet. Wayne Hill and Otto Hoffman are the only lettermen not returning from last year's squad. Other lettermen besides Bock and Sizer are Calvin Rempfer and Harry Vix. Two bright spots in the Dusties' chances are Francis Ackert, who has been out of competition for two years, and Howard McDermott, pole vaulter.

#### 1938 SCHEDULE

April 29-Aberdeen Relays.

May 6-Pentangular Meet (Aberdeen).

May 15-University.

May 22-Wahpeton.

May 28-Conference Meet (Jamestown).

The 1936 Ellendale Normal-Industrial team wound up fourth in the conference meet staged at Jamestown with a total of 14 points. The points were compiled as follows: Hill, second in high hurdles; Sizer, second in high jump; Bock, first with shot put and Hoffman, third with discus.

The squad also came out fourth with the same number of points in the State Intercollegiate track and field meet in Grand Forks. Bock placed first in the shot put, Sizer took two seconds in the high hurdles and the high jump and Hoffman accounted for a second in the discus.

### Minor Sports

THE minor sports of the N. I. do not receive as much attention as the other activities because of fewer participants. There are a few good golfers, tennis players, ping pong players, and quite a number of kittenball players.

Last year, Marvin Weller was the leading golfer for N. I. Although there was little said about the golf of the school, we are sure that Marvin was doing all that he could for the game and for his school in that line. Duane Crabtree is another excellent golfer of the N. I.

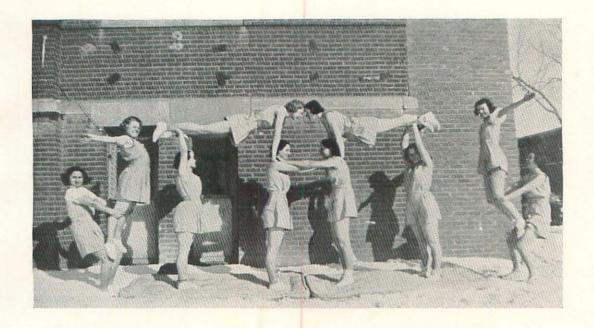

Tennis had a few more participants than golf. Floyd Ackert and Howard Clark were the leading players. Many others, however, play and there should be a good tennis team this year. Francis Ackert will no doubt make a strong bid for the number one position.

Among the ping pong players, there are several very good players. Jimmy Volk won the tournament this year. He led a field of many strong contestants and won only by his superior skill.

A league in kittenball was organized last year, and there were several teams entered. Kittenball leads the minor sports in that more take part, and the interest is greater. This league will be started again this year. The teams will be captained by last year's players, who are returning to school this year.

Although the minor sports of the N. I. do not take a very high position in the school's sports, they are nevertheless important to many who do not play football, or basketball, or those who do not go out for track.

# Tumbling

HERE at the N. I. girls interested in sports can participate in anything from ballet dancing to pitching horseshoes. There are four major sports and several minor ones. The major sports include soccer, volleyball, basketball and baseball. The minor activities are skating, tumbling, hiking, horseshoe, tennis, golf, and ballet dancing.

The hiking club spent several early morning hours exploring the neighboring territory. The girls reported ravenous appetites. The skating club made good use of the local rink.

Margie Maricle's sophomore team proudly claimed the intramural volleyball trophy. The first game of the tournament was a trial between Effie Vansickel's High School team and Helen Graham's Freshmen. The Freshmen brought home the honors in this battle only to bow to the Sophomore array in the final game. Members of Maricle's team were Carolyn Bolstad, Agnes Rowe, Carol Hansen, Tillie Jury, Frances Zinter, and Vivian Robins. Effie Vansickel, Aurora Muske, and Margie Maricle were chosen the outstanding players of the tournament.

The basketball season will also be drawn to a close with an intramural tournament. The girls have played several preliminary games at the armory.

The baseball, tennis, and horseshoe clubs will stage tournaments during the spring season.

### Homecoming

The tumult and the shouting dies,
The Savages and our Queen depart;
Still stands the day in every heart
That of N-I we're still a part.
Spirit of Homecoming be with us yet—
We'll not forget! We'll not forget!

THESE words, phrased after some of Kipling's immortal lines, characterize somewhat the feelings of anyone connected with the 1937 Homecoming of N. I., which was brought to a fitting close after a very decisive victory of the Dusties over the Dickinson Savages by a 14 to 0 score.

Preparations for the great day were started six weeks before the time set, October 15 and 16. Herbert Thiele was in general charge of the activities with James Holsinger as his assistant in charge of the Pepfest, Edwin Kurth, his assistant in charge of the Parade, and Barbara McMillan as his assistant in charge of the Homecoming dance. The traditional theme of Roundup was carried out as usual with as many of the boys as could growing beards and the girls donning braids and bows and colored handkerchiefs to help advertise the affair. The fine cooperation of students, faculty, residents of Ellendale, business men of Ellendale and the Alumni resulted in a bigger and better day than ever before in the opinion of all those that witnessed the activities of the two-day festival.

The celebration got off to a good start under the leadership of Jimmy Holsinger at the Pepfest in the N. I. auditorium, where the members of the football team were introduced with appropriate remarks, and a very interesting and inspiring pep talk was given by a former member of the school and football player, Mr. Dwight W. Crabtree. This was followed by songs and pep yells, and then, in the election that followed, Howard Clark was judged "Whisker King", Eddie Bostrup carried off first honors for the most realistic cowboy outfit and Margie Maricle for having the most realistic cowgirl outfit.

After these preliminaries the entire group moved downtown in a huge snake dance led by Howard McDermott, who led the group in as intricate a style as was possible for anyone to follow. The dance was halted for a brief stop at the intersection of Main Street and Highway 281 and more evidence of pep was given by the students in the form of songs and yells and some peppy numbers by the band. The group then headed back to the school where they gathered around the huge bonfire, and with the fine pep and spirit shown there, the outcome of the next day's game was a foregone conclusion.

Saturday noon, in spite of the cold, raw day, the largest and most colorful parade ever witnessed in Ellendale assembled on the campus for a triumphant journey through and around town. Margie Maricle elected as queen by the students the week before, was featured on the lettermen's float which led the parade followed by twenty-two other floats representing the different clubs and organizations of the school.

The football game in the afternoon was a proper one for any Homecoming when the invading Savages from Dickinson bowed to the mighty Dusties to the tune of 14 to 0. Though it was one of the coldest days we ever hope to witness at any Homecoming the spirit of the crowd and players couldn't be cooled by the weather when the heroes of the day showed what they really could do.

During the half the Queen, mounted on a white horse and escorted by her attendants, Mayvis Hafner and Jane Brouillard, on black horses, rode out to the center of the gridiron where President McMillan officially crowned her Homecoming Queen. After the coronation the Queen and her attendants ascended to her throne on the lettermen's float and with the mounted guard of Herbert Thiele, Roy Sheppard, and Darcy Bostrup was escorted to the Green Parlor of the Dormitory. Here the Queen, Vivian Sherer, Edna Kuch, Miss Nellie Howard and Walter Erbele entertained the alumni and faculty after the football game while tea was served.

To wind up the day's activity in a fitting manner, students, alumni and faculty crowded the armory that evening to dance to the music of the Valley City Swingsters. One of the highlights of the evening was the Indian Pageant portrayed by the girls of the Physical Education class under the direction of Miss Murl Fodness.

After a very enjoyable evening, students, faculty, and alumni left with a firm resolve to be on hand the following year when the spirit of Homecoming beckened again.

### 1937 Summer Session

THE State Normal and Industrial School began its 1937 summer session with approximately eighty students enrolled. Out of this number twenty-seven received their standard normal certificates, and one student received his Bachelor of Science Degree.

About the same courses were offered as have been offered during the previous summer sessions. The student body as a whole were an enthusiastic and wideawake group of students among whose numbers a

large percentage of faces familiar to the N. I. halls were seen.

During previous sessions it had been the practice to divide the student body into groups, and have each group present a program during regular assembly periods, but this summer a new idea was tried out with fairly good success. Instead of having several programs, the entire body combined their talents to produce one program, which was given near the close of the session. The general opinion was that a much better program was presented by this method. This also was to make room for a number of special talent numbers arranged for by President McMillan, which were presented during general assembly hours. These special numbers were as follows: A group of plays presented by the "Coffee-Miller Players," whose principal theme was about King Henry VIII; "Travel Experiences in Alaska," which was presented by means of slides projected in colors upon a screen; "A Temperance Lecture on the Use of Alcohol," by Miss Dora Young.

The summer session was unique in that it sponsored an organization which was a new method of carrying out the business affairs of the session. This organization was known as the Student Council, consisting of five members: Roy Sheppard, Fullerton, President; Floyd Ackert, Ellendale; Alyce Gentzkow, LaMoure; Ida Pflugrath, New Leipzig; Edwin Lucke, Fullerton. Some of the more important business taken care of by this group were arrangements for the model school picnic, and the annual summer school picnic. They also arranged for transportation for the out-of-town kittenball games taken part in by both

the girls' and boys' teams.

The physical education activities consisted of swimming, tennis, and kittenball. Quite a few took advantage of the excellent pool available in Ellendale, a number played on the school tennis courts, but by far the greatest interest was shown by those interested in kittenball. The N. I. boys' team was a member of the Ellendale City League, playing on the average of two games a week, and also played several out of town games with LaMoure and Monango. While the success of the boys' team was only fair, they received a great deal of enjoyment out of playing this national pastime. The girls' team consisted of a very up and coming group of athletes, and although they were not a member of the league, turned in a very impressive record of victories to the credit of N. I. The girls' team played several out of town games, most important of which were those played with Monango and LaMoure. They played through the entire summer season without suffering a defeat. Quite a few of the student body availed themselves of the excellent city golf links, and enjoyed that very popular recreation.

As has been the custom during the past summer sessions, a few extra-curricular activities were carried on, the most important of which were a boys' quartet, and a small band organization known as "The Little German Band". The organizations were gotten together principally for the purpose of practice and the fun of taking part in such musical groups. However, before the work had progressed very far, both groups, especially the quartet, were called upon to take part in programs held during general assembly periods, and thus were given ample opportunity to exhibit their ability. Plans were started to develop an N. I. band during the summer session, but not enough students answered the call for members to make the band a real thing. A number of the students were able to realize their ambition to play in a band by play-

ing with the city band, which gave several open-air concerts during the summer.

The dramatic class terminated their summer course by presenting a group of plays. Part of these plays were given during the general assembly programs, and part of them were given in the reception room of Dakota Hall. These plays were well attended by the student body and showed excellent work had been done by the members of the dramatic class. Special numbers were presented outside of the plays them-

selves by members of the student body not connected with the dramatic class,

One of the highlights of the summer session, as far as recreational activities was concerned, was the annual summer picnic outing, which is always looked forward to with a great deal of lively anticipation. During the course of the session, plans were discussed by the student body as to where the picnic was to be held. It was finally decided to hold the picnic near the close of the term, and the place selected was Grand Rapids. Kittenball games were arranged for both the boys' and girls' teams, and a large number of other games were taken part in by those members not interested in kittenball. Quite a few of the students took their bathing suits along and availed themselves of the excellent natural pool in the James River at Grand Rapids. The girls succeeded in playing their game of kittenball, but the boys' game had to be called off on account of the rain. Incidentally, this was one of the few rains enjoyed during the entire summer. Everyone enjoyed themselves immensely, and ended the day's outing by partaking of a very tasty lunch, arranged for by the lunch committee.

The summer session was brought to a close with the Baccalaureate service and Commencement exercises. The Baccalaureate service with Rev. J. D. Cawthorne, pastor of the Methodist Episcopal Church, Ellendale, N. Dak., officiating, was held on Sunday, July 25; the Commencement exercises were held on Thursday, July 29, with Arthur E. Thompson of Bismarck, North Dakota, as the principal speaker.

-Mr. and Mrs. Fowler J. Humphrey, La Moure, N. Dak.

### alumni

THE Snitcher of 1937 includes in its alumni list all graduates between the years of 1925 and 1936 inclusive. Our present version will hereby bring the list up to date by submitting the alumni of 1937. This year we have included the activity engaged in at present together with the location of the graduates to add to the interest. We also include the Summer School grads of 1936 so that the location of all of our recent alumni may be made known.

# High School Contestants

Top—Effie Vansickel.

Second row—Vivian Mellang, Martha Schimke.

Bottom row—Sylvia Ofstedal, Clarence Retzlaff, Lavina Smith.

### n. I. H. S. Declamation Contest-- 1938

THE interest which N. I. students always show in any form of dramatics was evidenced by the large number who attended the N. I. H. S. contest, January 18, 1938.

According to judges and audience, the contestants were unusually apt in their characterizations and gave evidence of sympathetic understanding of the literature interpreted.

The following program was given:

#### DRAMATIC DIVISION

David's Star of Bethlehem	
No Greater Love	Leota Hulse Black
The Enemy	
Trombone Solo—Serenade	Schubert
Franci	s Ackert

#### HUMOROUS DIVISION

The Wisdom of King Solomon	
The Yanks are Coming	Leota Hulse Black
Mr. Hay's Memory System	

Judges for the contest were Miss Minnie Onsrud, Mrs. Aimee Blatchford, and Miss Edna Bruns. They awarded first place in the dramatic division to Lavina Smith and in the humorous division to Martha Schimke.

### School Parties

#### ANNUAL FACULTY RECEPTION

THE annual faculty reception was held on Thursday, September 23, at the armory. The purpose of these faculty receptions is to enable the student body to get acquainted with each other and with the faculty. The evening was a success in this, under the able leadership of Mr. Slemmons and Miss Murl Fodness.

There were special numbers during the evening which added much to the enjoyment of those present. One of these was a solo, "Tall, Dark and Handsome", by Margie Maricle. She was accompanied by Miss Vivian Sherer at the piano. Another number was a tap dance by Ethel Nelson. She was accompanied at the piano by Miss Florence Kempf.

#### THANKSGIVING PARTY

On Tuesday evening, November 23, a very large crowd of faculty and students gathered at the armory to again enjoy the music of Bill Klitz and his orchestra. After a long period of hard study since Homecoming, everyone was out for a good time, and they had it. The crowd was congenial, the music excellent, and the novelty dance numbers played by the orchestra made a very successful evening for everyone who was present. Thought of examinations the next week did not keep anyone at home and no one was sorry he came.

#### CHRISTMAS DANCE

One of the largest crowds yet to attend an N-I party danced to the music of Bill Klitz and his orchestra at the Christmas party, Tuesday, December 21, under the general direction of Margie Maricle. The decorations committee, under the chairmanship of Elmer Schmierer, showed originality in decorating the gym. A tall Christmas tree was set in the center of the gym with white streamers forming an arch over the dancing floor.

Several outstanding features for entertainment between dances were arranged by the entertainment committee under the direction of Maxine Berry and Bernice Scoville. These included a tap dance solo given by Beverly McLane and a tap dance team composed of Lorraine Stalcup, Lois Merrick and Ilene Fuller under the direction of Miss Edna Bruns of the Ellendale city school.

#### ALL GAME PARTY

M keeping with the Lenten season an all-game party was given during the spring term instead of the usual dance. Edwin Kurth was in general charge of the party with Eddie Bostrup, Carroll Haralson, Duane Pinkney, Howard Clark, Edna Kuch, Barbara McMillan, Miss Cone and Miss Greenland assisting with the games.

The plan of the party was an indoor track meet. Everyone wore tennis shoes and "good time clothes". The students were divided into four groups, each group representing a college. All sorts of novel stunts and track events were held and everyone had a hilarious time to see which group could garner the most points to win the meet and the grand prize for the evening.

#### ST. VALENTINE'S DANCE

A crowd of 250 students and faculty members, most of them in costume, attended the annual St. Valentine's dance at the N-I gymnasium, Monday night, February 14. In spite of the absence of the orchestra, which was held up by blocked roads, adequate music was provided for the occasion. An electric phonograph was secured by the party chairmen from a local cafe.

Barbara McMillan and Howard McDermott were adjudged the winners in the best costume contest, with Jane Brouillard and Darcy Bostrup being awarded prizes for the cleverest costumes. Judges were E. M. Leiby, F. E. Randall and J. H. Furan. Edna Kuch was in general charge of the affair.

#### HIGH SCHOOL RECEPTION

A new program was added to the school year both during 1937 and 1938 in the annual High School Reception. These were held in conjunction with the Invitation High School Field and Track Meet. High School students from various schools in this part of the state were guests of the school at these parties. All present at the 1937 reception agreed that this is quite an innovation in the yearly program of the school. There seems little doubt that it will become a regular observance.

The 1938 reception was held May 7, and was a well-planned event. Edwin Chambers was the chairman in charge of arrangements with Esther Miller as co-chairman, Barbara McMillan and Miss Moes assisting with the entertainment.

### LOVE IN A PRINT SHOP

"May I print a kiss on your lips?" the editor asked,

And Jean nodded her sweet permission.

So Howard went to press and we rather guess
That he printed a full edition.

"One edition is hardly enough,"

Jean said with a charming pout,
So again on the press the form Howard placed,
And they got some extras out.

000

Miss Bender—"What beautiful scallops you have on your pies, Mrs. Sprouse! How do you do it?"
"Ma" Sprouse—"Oh, that isn't any trouble at all. I just use my false teeth."

### DORMITORY MATHEMATICS

Theorems—No two meals together are equal to one square.

The functions of the use of what is left over are variables with no apparent limits.

A good meal is imaginary (we can give no concrete definition of it).

A square meal is an incommensurable quantity; it approaches as its limit, justice to the boarder; yet however close its limits it may approach, it can never reach it.

Scholium—The minimum demand is always greater than the maximum supply.

Axiom—A straight line is the shortest distance between the reception room and the dining hall.
All permutations and combinations result, eventually, in hash. A dish of hash may be extended indefinitely.

000

Ole Helm says; "Evolution is the integration of matter and concomitant dissipation of motion during which the matter passes from an indefinite, incoherent, heterogenity, and during which the retained motion undergoes a parallel transformation." We would like to have some one apply this to the evolution of hash.

### Satire

Mr. Banks-I sent for you to explain this examination paper, Melvin. Why have you put all these quotation marks around your answers?

Melvin Kallestad—Just a little courtesy to the girl seated on my left in the examination room.

Olive Vogt-What makes you think Rollin Dundson's intentions are serious?

Doris Russell—When he first began to call, he used to talk about the books he liked to read.

Olive-And now?

Doris—Now he talks about the things he likes to eat.

Hazel Michel—And are mine the only lips that you have ever kissed? Allan Juelke-Yes, dearest, and they are the sweetest of them all.

"Daddy" Ackert—Eddy, what are you doing with your feet on the desk? Eddy Bostrup—I've lost my eraser and I'm using my rubber heel instead.

Jake Nill was practicing his fiddle in the auditorium, and was playing "Old Kentucky Home" when he noticed Mrs. Dunphy in one of the seats. Of course he trotted down to her for a few words of praise, and "What's the matter, Mrs. Dunphy?" he asked. "Are you from Kentucky that my music affects you so?"
"No," Mrs. Dunphy sobbed, "I'm not from Kentucky, but I'm a musician."

Advice to the Girls—It doesn't do any good to keep fit as a fiddle if you haven't a beau.

Mr. Combellick was invited to address one of the local clubs during the summer, and he chose as his subject "The Need of Education." The following day the local paper carried the headline, "Prof. Combellick's Speech Shows Need of Education."

Howard Clark—You'd better take a street car home.

Carl "Cully" Thorstad—'Sno ushe! The landlady wouldn't let me keep it in the house.

Norman Greene-I suppose you dance?

Vivian Robins—Oh yes, I love to!
Norman—Great, that's better than dancing.

"Yuh gave me a bum steer," said Farmer Brown's Boy as he came away with an empty pail.

Ida Kranzler—Ben and I had a flat tire coming from the show last night. Vivian Robins—Yes, I saw Claude Kauffman get out at the corner.

Barbara McMillan and Edna Kuch (in unison) - Officer, stop that man. He wanted to kiss us. Officer—Oh, don't worry, there'll be another man along in a minute.

Noting the age of the vehicle he hailed, Earl Nehl became jocose.
"I say, my good man, is your 'Ark' filled up?"
Charlie Sizer touched his cap: "Just room for one more donkey, Nehl. Hop in!"

The Boys at Dacotah Hall-Now don't go to the trouble to see us to the door. Miss Bender-Oh it's no trouble at all-it's a pleasure.

> Of all the sad surprises, There's none that can compare With treading in the darkness On a step, that isn't there.
